Head of School Update

A Busy September & Celebrating 75 Years of SBA

It's hard to believe that we're nearly through the third week of school. The students are beginning to settle into the normal rhythms that make up life at SBA. Everyone, staff and students alike, is looking forward to the long Labor Day weekend. I hope you will enjoy this extra day of rest with your family and friends, and that the students and staff will return energized and ready for the long push to Thanksgiving.

Next week marks the first week that eligibility for co-curricular activities will be based on the current year's grades. Eligibility is assessed each Monday by the Academic Dean. Any student with an "F" in a course is not eligible for that week. Eligibility may be restored by earning a passing mark by the following Monday when eligibility is reviewed again. Many cases of ineligibility are the result of a student failing to stay on top of their work or having past due assignments. Please encourage your student to stay current with completing and submitting their assignments, and to speak to their teacher if they are struggling.

Athletic competitions are underway for the school year. The football team dropped their opening two games to two very tough opponents but they fought hard, maintained a positive spirit, and demonstrated good sportsmanship and character. On Crusaders!

The volleyball team dropped a tough opening match to Highmore but rallied back the following Friday for a straight sets victory on the road against Tiospaye Topa. The girls continued their streak with a 3-1 win over Mitchell Christian at home on Tuesday.

The cross country runners are participating in their first meet of the year on September 3rd at Fisher Grove. We wish them the best of luck.

Congratulations to this year's All State Choir representatives: Soprano – Sierra Hamburger; Alto – Cherish Paul, alternate Cadence Hamburger; Tenor – Jaxon Hall, alternate Jacob Hague; and Bass – Caleb Pribyl, alternate Nick Erickson. This year's All State Choir and Orchestra performance is on October 31st at the Summit Arena in Rapid City. Best wishes to this year's participants.

Homecoming week is September 14th -18th. As I'm sure you're aware, we'll be celebrating our 75th Anniversary and we hope you'll come and join us as we look back on 75 years of God's faithfulness and look forward to many years to come. You can see the full line-up of events on our [Facebook page](#) and the [website](#).

The Parents' Page of the website has now been updated to include the daily and weekly announcements, calendars, and the lunch menu. The Weekly is published on Friday the week prior and you can view it or download it from the website. When it comes to up-to-date information about the school and what's happening, the Parents' Page is the place to start. School calendars, including [one-page calendar](#), and the school's [live Google calendar](#), are both available on the parents' page. We appreciate everyone's feedback on the website as we continue to refine it to meet the needs of the school community.

Thank you for your continued prayers and support. We're looking forward to an exciting September. Happy Labor Day weekend to everyone!

In Service to Him,
Mr. McClure
